Expenses included \$362 for trailer expenses, \$136 for postage, \$580.50 for MacDonald's placemats (Erin Gallagher requested that this come from her budget), and \$100 memorial gift. Our bank balance stands at \$955.27. Lane Heatherwick moved to accept the Treasurer's report as presented and seconded by Ron Schubbe. Motion passed with all present in approval.**
  
- 6) Old Business  
  
Advertising update -Erin Gallagher  
**Grant Heatherwick started this segment with information that the MacDonald's placemats were printed and are scheduled to be placed on trays throughout June and into July while supply lasts. MacDonald's has made an offer to allow presentation of a banner and placement of a tractor at each location if we choose. After some discussion, Erin felt that money that would be needed to print banners for this purpose could be better spent in other ways. Ultimately the membership agreed.  
Erin asked that any completed sponsorship forms could be given to her at that time. None were presented. Erin had spoken with Citgo regarding a \$3000 sponsorship and feels that there is a 50% chance that it may be granted. Erin displayed a mockup of a business card sized advertising piece that would cost less than \$100 for 10,000 pieces. These would be given to the membership to**

give to everyone they see to flood the area with personal sized advertizing. She also suggested small fliers to be created for dispersal just before the show along with some limited radio advertising. Put to a vote, Ron Schubbe moved that we accept Erin's proposals to which Eric Reibenstein offered a second and carried by all present.

Christmas party update - Connie Schuler  
**Connie said that the Wilton Center hall has been reserved for January 17 for our (post)Christmas party. At a later date we will need to decide whether we want to continue with our regular potluck dinner or have it catered.**

Crawford/Show Agreement -Alan  
**Al mentioned that the agreement with the Crawford's had been finalized and that it will be a cash rent agreement and that the Crawford's will carry crop insurance for the wheat.**

#### 7) New Business

**Alan mentioned that there will be a meeting soon for all the show chairmen to go over duty assignments and needs.**

Water/Electric -Alan  
**Larry Jacobs has made his commitment to provide the potable water. The Manhattan Fire Department which is adjacent to the show grounds will provide water for dust control and steam water. Lane mentioned that we are all set for electric.**

Tractor drive update -Alan  
**Lunch will be at the show grounds and not at the race track as had previously proposed.**

Office trailer rehab  
**Joe Martin offered his carpentry skills so time was scheduled for a work day in about 2 weeks from the meeting. Ron Schubbe has hooked up electric to the trailer. The electric functions fine and the Air conditioning seems to be operational as well.**

Storage trailers cleanout  
**Alan suggested that we clean out the storage trailers prior to the show. The majority of the membership felt that it would be better if we waited until we have unpacked at the show grounds and evaluated the usefulness of any remaining items that were left. Also, we would have use of a dumpster already at the show grounds for our use.**
