7) 2016 Show:

Charlie reported that the culvert extension has been installed. Oats and seeding in the parking area are looking good.

Al reported on the Will Co. permit which has been temporarily granted. They want an appropriate number of porta-potties and fire extinguishers. The big tents must be flameproof and able to withstand 40 mph winds. Water has to be tested, and all Illinois codes followed.

Lane will meet with the FFA members and parents on Sunday at 1PM to discuss parking help.

John Cronin spoke to the man with the draft horses, and due to scheduling conflicts, only one team will be available to possibly give hayrides.
